## Manufacturing Information

This certification applies to products manufactured on and after November 12, 2008, at Dunn-Edwards facilities located in: Los Angeles, California; Tempe, Arizona; and Phoenix, Arizona.

## Compliance Information

Dunn-Edwards Corporation is a long-standing manufacturer of quality paints and coatings that meet or exceed regulatory requirements for consumer product safety. Our products are continuously evaluated by Dunn-Edwards, on the basis of test data provided by our raw material suppliers, to ensure that each product complies with all rules, bans, standards, or regulations applicable to the product under the federal Consumer Product Safety Act or any other Act enforced by the Consumer Product Safety Commission. An electronic copy of this general conformity certificate is available at [www.dunnedwards.com](http://www.dunnedwards.com).

## Third-Party Laboratory Information

Not Applicable.
