maddie jo's room

DO BLUE WITH:

☑ bedding

Maddie Jo wanted a really girly room, so Suzanne teamed lots of pink and coral with shades of blue. The bedding and the turquoise pouf are from Serena & Lily, and the oyster linen Roman shade is trimmed with a 1½-inch border of aqua banding.

joey's room

DO BLUE WITH:

☑ a drum shade

Joey's bedroom has a nautical feel, with its built-in twin storage beds connected by a latched storage unit for stashing books and trophies. Rosie went with a preppy vibe for her middle child, adding blue and red stripes—in the rug (melrosecarpet.com), window treatments, and bolster pillows—and a navy plaid drum shade.

house tours

kids' bathroom

DO BLUE WITH:

☑ tile

In the bathroom shared by all three kids, Suzanne incorporated a row of blue glass mosaic tiles on the walls and a blue flower design in the hexagon-tiled floor. The watery shades are tied together with a damask shower curtain from Target.
