### mystical shade

BY SHERWIN-WILLIAMS

"This bedroom is shared by two teen sisters who love—/oooove!—purple. My mission: Make it hip. The combination of the soft thistle hue on the walls and punchy turquoise velvet upholstery really fits their personalities."

—Katelyn Rountree, Terracotta Design Build Co., Atlanta, GA

### black spruce

BY DUNN-EDWARDS

"What's great about this green is that it's moody and different, but it still feels like a classic that'll last a long time. It contrasts with the white counters, backsplash, and pendants really well—it brought this kitchen to another level."

—Shea McGee, Studio McGee, Salt Lake City, UT
